

Dental Professionals:

Welcome to our 2017 Summer Continuing Education Program. You will find the core courses that you need for relicensure, as well as the second Symposium in our Speed Learning series.

Most of our continuing education courses are held in the morning, allowing you time to return to the office or to enjoy the summer afternoon. Come and take a class this summer in our modern and bright new space on Third Avenue.

Be sure to share this brochure with your colleagues and office staff. We welcome all dental professionals at our continuing education courses.

Lois A. Jackson, DDS, Education Director

COURSE: SMIC89**OSHA Compliance and Infection Control Made Easy for Dentistry**

Wednesday, July 12, 2017

9:00 AM to 1:00 PM

CE hours: 4

Tuition: \$275

For dentists and the dental team.

OSHA requirements include an annual retraining session for all employees. This course will help fulfill these requirements and update participants on the latest from OSHA, including the Globally Harmonized System (GHS) for Hazard Communication and the Bloodborne Disease Pathogens Standard. In addition, the course covers the Centers for Disease Control and Prevention Infection Control Guidelines for Dentistry.

Other topics covered that apply to dentistry include Subparts of the OSH Act, including:

- means of egress;
- ionizing radiation;
- electrical safety;
- fire safety and first aid;
- hazardous materials;
- ventilation; and
- recordkeeping.

Information will be provided on how to react to an OSHA inspection of your office, and how to assign tasks to key staff members so that they can assist you in achieving compliance.

This course is sponsored by Henry Schein Inc.

Infection Control is required for New York State relicensure.

Instructor:

Karson L. Carpenter, DDS

President of Compliance Training Partners. He is a graduate of the University of Michigan School of Dentistry, and has over 25 years experience designing educational programs to bring dental and medical facilities into compliance with governmental regulations. Dr. Carpenter practices dentistry in Farmington Hills, MI.

COURSE: V0719**Avoid the Million Dollar Mistake: HIPAA Security Compliance**

Wednesday, July 19, 2017

9:30 AM to 12:30 PM

CE hours: 3

Tuition: NYSDA Member Dentist, \$175

Member's Auxiliary Staff, \$45

Non-Member Dentist, \$275

Non-Member's Auxiliary Staff, \$75

For dentists and the dental team.

The New York State Dental Association (NYSDA) is sponsoring a 3-hour HIPAA Security Compliance course developed by NYSDA's Information Technology Committee. The course and the accompanying *NYSDA HIPAA Security Compliance Manual* provide a practical guide for dentists and their office team.

The course explains the specific requirements associated with safeguarding, storing and transmitting electronically maintained information to protect dentists from potential prosecution and sanctions. The goal is to educate the dental team in a common sense, step-by-step way on how to comply with these complex regulations and avoid punitive sanctions.

To register, call or email Jacqui:

jdonnelly@nysdental.org, or 800-255-2100.

Instructor:

Kenneth W. Aschheim, DDS

Dr. Kenneth Aschheim has more than 30 years of private practice experience in all aspects of cosmetic and restorative dentistry. He has lectured and conducted workshops throughout the world and has been a contributor to the dental literature. Dr. Aschheim has also served as a consultant to numerous dental companies on various dental and computer technologies. He has been a member of the NYSDA Information Technology Committee since 2013.

COURSE: V0726**SPEED LEARNING: 6 speakers 6 hours
6 credits**

Wednesday, July 26, 2017

8:30 AM to 4:30 PM

CE hours: 6

Tuition: \$99 for NYCDS members; \$125 for all other registrants

Register by June 28 for the Early Bird discount.

All new speakers!

All new topics!

This full day program brings together cutting edge dental lectures featuring renowned clinicians who will provide a wealth of expertise on topics applicable to your practice. You will take away practical ideas and relevant concepts for improving patient care.

Join us for a day of learning on a variety of topics!

Laser Periodontal Therapy

Christine Skordeles, DDS

Composite Restorations: A Clinical Approach to Achieve Long Term Results

Suchie Chawla, DDS, MD

The Management of 3rd Molars

COURSE: V0802**A Practical and Mandated Program
in Prescribing Opioids and
Controlled Substances**

Wednesday, August 2, 2017

9:00 AM to 12:00 noon

CE hours: 3

Tuition: \$99 NYCDS members

\$110 ADA members

\$125 Non-ADA members

This course covers all the material needed to satisfy the NYS mandated Pain Management, Palliative Care and Addiction Education requirements. It is designed for all prescribers of controlled substances. Through literature reviews, case studies and professional experience you will understand your role in combating the current opioid epidemic.

Topics and objectives:

- review state and federal requirements for prescribing controlled substances;
- establish a pain management plan for your office;
- utilize appropriate prescribing practices;
- manage acute pain;
- palliative medicine;
- prevention, screening and signs of addiction;
- responses to abuse and addiction; and
- end of life care.

Optional Narcan Training program to follow.

Instructor:

Marc M. Gottlieb, DDS

Dr. Gottlieb is on staff at Stony Brook University Hospital. He has advanced training in anesthesiology and works with apprehensive patients. Dr. Gottlieb maintains a full time private practice in Levittown, New York.

COURSE: RISK92**Risk Management Course**

Wednesday, August 9, 2017

9:00 AM to 1:00 PM

CE hours: 4

Tuition: \$275

staff employed by NYCDS members,
\$135; non-member staff, \$175

Register by July 12 for the Early Bird discount.

Take this course and Basic Life Support/CPR on August 16 and save 10%!

For dentists and the dental team.

This is a review of the essential elements of risk management as it pertains to the practice of dentistry. Emphasis is placed on those occurrences affecting us in the everyday practice of our profession from the perspective of a full time practitioner. You will learn about new issues; regulatory changes; and recent trends of importance to the dental profession. Dr. Wetzel will be joined by attorney Paul Blutman, Esq.

New York State dentists who complete this course are entitled to a 10% discount on their liability premiums from the Medical Liability Mutual Insurance Company for a three year period. Check with your own carrier concerning the availability of any discount.

Instructor:

Frederick Wetzel, DDS

Dr. Wetzel has been a Risk Management presenter since 1992 and Chairs the NYSDA Risk Management Subcommittee. He is the Dental Section Chair for the Professional Insurers Association of America. Dr. Wetzel is in private general practice in Schenectady, New York.

COURSE: CPR67**Basic Life Support/CPR Certification Course**

Wednesday, August 16, 2017

9:00 AM to 1:00 PM

CE hours: 4

Tuition: \$275

staff: \$195

Register by July 19 for the Early Bird discount.

Take this course and Risk Management Course on August 9 and save 10%!

For dentists and the dental team.

Attendees of this course will become certified and updated on all the most current American Heart Association guidelines in CPR and Basic Life Support. Current guidelines on choking and proper systematic approaches to cardiac arrest and respiratory arrest are discussed. This course includes hands-on practice sessions.

You will gain Basic Life Support training that reinforces your understanding of the importance of early CPR and defibrillation. At the completion of the course you will be handed your two-year American Heart Association certification card.

Instructor:

Marc Reilly

President, Rescue Resuscitation Inc., which specializes in teaching CPR and Advanced Cardiac Life Support for all healthcare professionals. Mr. Reilly has been a paramedic with the New York City Fire Department for over 30 years.

Basic Life Support/ CPR is required for New York State relicensure.

CONTINUING EDUCATION REQUIREMENTS

New York State dentists must complete 60 continuing education credits every three years in order to renew their license.

Required courses:

- Infection Control every 4 years.
- Basic Life Support / CPR every 2 years.
- NYS mandated pain management, palliative care and addiction education requirement (opioids) for all dentists with a DEA number, every 3 years.
- State mandated ethics course, one time.
- State mandated oral cancer/tobacco cessation course, one time.

Please note that Risk Management courses are encouraged but not required.

- Registration confirmations are emailed.
- Late registration: please call to verify availability.
- Frequent Registration Program: complete 2 courses within a 12-month period and earn a 50% discount on your next lecture. This nontransferable benefit is not applicable to hands-on courses.
- Early Bird registration: \$25 off registrations paid 20 business days before the course date for indicated courses.

NYCDS members receive a \$15 discount on the listed tuition. Tuition for non-ADA members is higher; lower rates for the dental team. Please call for rates.

Cancellations received more than 14 days prior to the course are eligible for a refund less a \$50 administrative fee.

Transfers to an available course may be requested no less than 10 business days prior to the original course date.

No refunds will be made for partial attendance or for cancellations made less than 10 business days prior to the program. Full refunds will be made in the event of a course cancellation. We cannot assume responsibility for penalties for travel arrangements.

The Henry Spenadel Continuing Education Program is an ADA CERP Recognized Provider. Credit for our courses is accepted by states that require continuing education and who acknowledge the ADA CERP Provider designation. Our courses meet the New York State requirement for hygienists' continuing education.
